CONDITIONS

1. PRIOR INSURANCE

AND NON CUMULATION OF LIABILITY-

It is agreed that if any loss covered hereunder is also covered in whole or in part under any other excess policy issued to the Assured prior to the inception date hereof the limit of liability hereon as stated in Items 5 and 6 of the Declarations shall be reduced by any amounts due to the Assured on account of such loss under such prior insurance.

Subject to the foregoing paragraph and to all the other terms and conditions of this Policy in the event that Personal Injury or Property Damage arising out of an occurrence covered hereunder is continuing at the time of termination of this Policy the Company will continue to protect the Assured for liability in respect to such Personal Injury or Property Damage without payment of additional premium.

2. MAINTENANCE OF UNDERLYING UMBRELLA INSURANCE-

This Policy is subject to the same terms, definitions, exclusions and conditions (except as regards the premium, the amount and limits of liability and except as otherwise provided herein) as are contained in or as may be added to the Underlying Umbrella Policies stated in Item 2 of the Declarations prior to the happening of an occurrence for which claim is made hereunder.

It is a condition of this Policy that the Underlying Umbrella Policies shall be maintained in full effect during the currency hereof, except for any reduction of the aggregate limits contained therein solely by payment of claims in respect of accidents and/or occurrences occurring during the period of this Policy or by the operation of the Prior Insurance and Non Cumulation of Liability Condition of the Underlying Umbrella Policies.

3. CANCELLATION-

This Policy may be cancelled by the Named Assured or by the Company or their representative by mailing written notice to the

other party stating when, not less than thirty (30) days (ten [10] days for non-payment of premium) thereafter, cancellation shall be effective. The mailing of notice as aforesaid by the Company or their representative to the Named Assured at the address shown in this Policy shall be sufficient proof of notice and the insurance under this Policy shall end on the effective date and hour of cancellation stated in the notice. Delivery of such written notice either by the Named Assured or by the Company or their representative shall be equivalent to mailing.

If this Policy shall be cancelled by the Named Assured the Company shall retain the customary short rate proportion of the premium for the period this Policy has been in force. If this Policy shall be cancelled by the Company the Company shall retain the pro rata proportion of the premium for the period this Policy has been in force. Notice of cancellation by the Company shall be effective even though the Company makes no payment or tender of return premium.

4. NOTICE OF OCCURRENCE-

Whenever the Assured has information from which they may reasonably conclude that an occurrence covered hereunder involves injuries or damage which in the event that the Assured shall be held liable, is likely to involve this Policy, notice shall be sent as stated in Item 7 of the Schedule as soon as practicable, provided however, that failure to give notice of any occurrence which at the time of its happening did not appear to involve this Policy, but which, at a later date, would appear to give rise to claims hereunder, shall not prejudice such claim.

5. OTHER INSURANCE-

If other valid and collectible insurance with any other Insurer is available to the Assured covering a loss also covered by this Policy, other than Insurance that is in excess of the Insurance afforded by this Policy, the Insurance afforded by this Policy shall be in excess of and shall not contribute with such other insurance.

- | | |
|--|---|
| \$ (as stated in Item 3 of the Declarations) | Ultimate net loss in respect of each occurrence, but |
| \$ (as stated in Item 4 of the Declarations) | in the aggregate for each annual period during the currency of this Policy separately in respect of Products Liability and separately in respect of Personal Injury (fatal or non-fatal) by Occupational Disease sustained by any employees of the Assured. |

\$ (as stated in Item 5 of the Declarations).

\$ (as stated in Item 6 of the Declarations)

ultimate net loss in all in respect of each occurrence-subject to a limit of in the aggregate for each annual period during the currency of this Policy separately, in respect of Products Liability and separately in respect of Personal Injury (fatal or non-fatal) by Occupational Disease sustained by any employees of the Assured.

CONDITIONS**1. PRIOR INSURANCE AND NON CUMULATION OF LIABILITY-**

It is agreed that if any loss covered hereunder is also covered in whole or in part under any other excess policy issued to the Assured prior to the inception date hereof the limit of liability hereon as stated in Items 5 and 6 of the Schedule shall be reduced by amounts due to the Assured on account of such loss under prior insurance.

Subject to the foregoing paragraph, and to all the other terms and conditions of this Policy, in the event that Personal Injury or Property Damage arising out of an occurrence covered hereunder is continuing at the time of termination of this Policy the Company will continue to protect the Assured for liability in respect to such Personal Injury or Property Damage without payment of additional premium.

2 MAINTENANCE OF UNDERLYING UMBRELLA INSURANCE-

This Policy is subject to the same terms, definitions, exclusions and conditions (except as regards the premium, the amount and limits of liability and except as otherwise provided herein) as are contained in or as may be added to the Underlying Umbrella Policies stated in Item 2 of the Schedule prior to the happening of an occurrence for which claim is made hereunder.

It is a condition of this Policy that the Underlying Umbrella Policies shall be maintained in full effect during the currency hereof, except for any reduction of the aggregate limits contained therein solely by payment of claims in respect of accidents and/or occurrences occurring during the period of this Policy or by the operation of the Prior Insurance and Non Cumulation of Liability Condition of the Underlying Umbrella Policies.

CANCELLATION-

This Policy may be cancelled by the Named Assured or by the Company or their representative by mailing written notice to the

other party stating when, not less than thirty (30) days (ten (10) days for non-payment of premium) thereafter, cancellation shall be effective. The mailing of notice as aforesaid by the Company or their representative to the Named Assured at the address shown in this Policy shall be sufficient proof of notice and the Insurance under this Policy shall end on the effective date and hour of cancellation stated in the notice. Delivery of such written notice either by the Named Assured or by the Company or their representative shall be equivalent to mailing.

If this Policy shall be cancelled by the Named Assured the Company shall retain the customary short rate proportion of the premium for the period this Policy has been in force. If this Policy shall be cancelled by the Company the Company shall retain the pro rata proportion of the premium for the period this Policy has been in force. Notice of cancellation by the Company shall be effective even though the Company makes no payment or tender of return premium.

4. NOTICE OF OCCURRENCE-

Whenever the Assured has information from which they may reasonably conclude that an occurrence covered hereunder involves injuries or damage which in the event that the Assured shall be held liable, is likely to involve this Policy, notice shall be sent as stated in Item 7 of the Schedule as soon as practicable, provided however, that failure to give notice of any occurrence which at the time of its happening did not appear to involve this Policy, but which, at a later date, would appear to give rise to claims hereunder, shall not prejudice such claim.

5. OTHER INSURANCE-

If other valid and collectible insurance with any other Insurer is available to the Assured covering a loss also covered by this Policy, other than Insurance that is in excess of the Insurance afforded by this Policy, the Insurance afforded by this Policy shall be in excess of and shall not contribute with such other insurance.
